

Meeting protocol

Meeting 9

Discussion items

1. We talked about our plans for the week and when we should fix the Peer Review.
2. Talked about what pace we should work on the project and code as well.

Outcome

1. We decided to fix the Peer Review Tuesday before lunch. We also decided upon using overleaf and write the review in LaTeX. We also prepared a document for the review.
2. We thought we were in a good place and decided to just continue work as normal.
